BOOKKEEPING PROCEDURES:

Keep the ledger current. Enter all payment requests, deposits, organization transfers and adjustments at the time of the transaction. Verify your ledger against the e-statement to help prevent errors.

Enter all adjustments into your ledger immediately upon receiving notification from the SOA Office that:
a deposit amount has been adjusted, a payment request has been voided, a payment request amount has been changed, a check has been returned by the bank as dishonored, or an adjustment has been made to your account

Please note: it is your responsibility to collect the funds for any returned checks and to deposit the new funds into your account.

SOA PURCHASE CARDS:

The SOA Purchase Card may be used to make purchases with local merchants up to the maximum \$500.00 limit. The SOA Purchase Card must be presented to the merchant at the time of purchase to ensure proper identification and billing. For purchases over \$500, the vendor reserves the right to verify available funds in your account with the SOA Office.

At the time of purchase, make sure that the SOA Purchase Card number and your organization's name are noted on the merchant receipt prior to signing for the purchase.

Each organization is responsible for all charges made on the SOA Purchase Card. ***THIS INCLUDES ANY CHARGES MADE ON A CARD THAT HAS BEEN LOST OR STOLEN.***

If a card has been lost or stolen, contact the SOA Office immediately. While we may not be able to stop the use of the card, we will work with you to identify whoever is using the card and limit charges.
